

Beth STEPHENS

MINISTRIES

- Experience the Power
- Feel the Passion
- Find His Presence

After ten years of evangelizing, God led Beth Stephens to New Covenant Worship Center in Athens, Georgia for five nights of revival. The revival exploded into a mighty move of God and continued for eighteen months. At that time, she was asked to be their associate pastor and remained there for eleven years. Very recently, God directed her back to full-time evangelism for a season where she is currently serving the body of Christ. Beth has ministered to thousands in camp meetings, women and youth conferences, and many other various groups, but primarily as a Minister to the church body.

Beth's style of ministry is delightfully unique! A powerful speaker, she delivers messages with simplicity that can be applied to everyday living. The anointing upon her life is evident, as many signs have followed this ministry. Countless lives have been transformed through salvation, deliverance, baptism of the Holy Spirit, miracles, healings, restored marriages and relationships.
