

# BIOGRAPHY

## Pastor Beth Stephens

Beth Stephens Ministries is an evangelistic ministry that crosses all denominational barriers bringing the message of salvation, hope, deliverance, and restoration. She has ministered to thousands in camp meetings, women and youth conferences, and many other various groups, but primarily as a minister to the church body.

Beth Stephens was called into the ministry in 1990 and she began evangelizing both throughout the United States and internationally. Since that time, she served as a youth pastor for a brief period and as the associate pastor at New Covenant Worship Center in Athens, Georgia for eleven years, which continues to be her spiritual covering. Currently, she is serving the body of Christ as a full-time evangelist.

Beth's style of ministry is delightfully unique! A powerful speaker, she delivers messages with simplicity that can be applied to everyday living. The anointing upon her life is evident, as many signs have followed this ministry. Countless lives have been transformed through salvation, deliverance, baptism of the Holy Spirit, miracles, healings, restored marriages and relationships.

Beth Stephens currently resides in Athens, Georgia.
